Subject: Help Me Grow Early Intervention Program Updates, #1604

MESSAGE FROM THE PART C COORDINATOR

Thank you for your questions and support during this time of transition for the Early Intervention program. We have received many questions during the past two weeks about when the HMG Service Coordination RFP will be posted. I apologize for the delay. We anticipate that the RFP and updated allocation table will be posted later today or very early next week. Thank you for your patience.

I always invite your feedback. Do not hesitate to contact me at nathan.dedino@odh.ohio.gov. I look forward to hearing from you.

PROGRAM UPDATES

Payor of Last Resort (POLR)

We are pleased to announce that Traci Keesee has joined the Early Intervention team. Traci worked most recently for the HMG Home Visiting program. In her new role, she will be overseeing our efforts with POLR. She will be processing new POLR applications as well as developing trainings and guidance documents about POLR. Please continue to use the polr@odh.ohio.gov e-mail address when submitting applications or inquiring about existing applications. You can call Traci at 614-728-2155.

Surrogate Parent Applications

With the co-location of DODD and ODH consultants, please send any surrogate parent applications to the following address rather than to ODH:

Columbus Developmental Center-Administration Building 1601 W. Broad Street Columbus, OH 43222

Attention: EI Surrogate Parent Application

SFY17 Service Coordination Grant

The SFY17 Service Coordination grant is a continuation grant from last year. The methodology used to create the allocation table for SFY17 is the same methodology that was used to create the allocation table for SFY16, but with updated child count and referral numbers. We are attaching

the PowerPoint that was used to explain the methodology last year, but with the revised state fiscal year dates used for the SFY17 allocation table.

OSEP Part C Application

Ohio's draft application to OSEP will be posted on the HMG website later today for 60 days. Consistent with federal requirements, we will be accepting public comment for 30 days until March 20.

SFY16 TRS Baseline Analysis

Activities related to the SFY16 TRS baseline analysis are underway. Data extraction occurred this week and data inquiries are scheduled to be sent to applicable counties on March 2.

Early Track Updates

Early Track was updated on February 17. Below follows details of the changes that were made.

Child Outcomes Summary: On the exit page, the following question will be required for all exits February 17, 2016 or later in each of the three outcome areas: "Has the child shown any NEW SKILLS or BEHAVIORS related to [outcome area] since the last Child Outcomes Summary rating?" See below image. For all exits prior to February 17, these questions will be available; however, they will not be required. We encourage users to enter as much of this information as possible. There are specific children for whom the answer to that question can affect the category in which the child is placed for federal reporting, so we are particularly interested in obtaining progress data for as many of those children as possible. Each county will soon receive a list of children for whom a child outcomes summary was performed at exit between July 1, 2015 and February 2016, with children highlighted if the progress data are most needed.

Service Dropdown Changes in Early Track: As of January of 2015, the Service Coordinator should be listed only on Section II of the IFSP, and therefore, Service Coordination will be removed from the Service Type drop down in Early Track. The following drop down option will be added: "N/A – No interventionist needed to meet transition outcome." This drop down option will function exactly as the "Service not yet coordinated" option, where only the Service Type and Outcome fields are required. For more details, see pp30-33 of the IFSP guidance document or follow up with your EI TA consultant.

EI Self-Study Modules

Two newly developed self-study modules introduce users to Early Intervention as well as the EI mission and key principles. You can register for these modules on OhioTrain (1061260 and 1061264).

Other Training Opportunities

Ongoing trainings available through Ohio Train:

- HMG Training Institute (1034150)
- IFSP Form user-directed webinar (1028661)
- IFSP Outcome Training-Facilitated Webinar (1054433)
- Principles of Service Coordination (1047684)

Other Trainings:

- Child Outcome Summary: Your State Team is encouraging county teams to use the online COS modules developed by the DaSy Center. Each participant must register for the online modules. You will then receive an email with a direct link to access the online modules. There are five modules. Here is the link: http://dasycenter.org/child-outcomes-summary-cos-process-module-collecting-using-data-to-improve-programs/ If your team needs additional support after completing the COS modules, please contact your TA Consultant.
- Overview of Evidence Based EI: This training is accessed through your TA consultant, and is designed to support teams with learning about the key components of EB EI practices

- including a review of the Mission and Key Principles, Coaching, Teaming, and Natural Learning Environment practices.
- Documentation: This training is available through your TA consultant and supports teams with learning what type of activities need to be documented.
