MESSAGE FROM THE PART C COORDINATOR

We wanted to let you know about the debut of our new EI Rules tile on the EI website. This tile is “one stop shopping” for the resources DODD is providing to support providers’ implementation of the new rules. Please check back often as we will continue to add new materials in the coming weeks. You can access the tile here:

I always invite your feedback. Do not hesitate to contact me at nathan.dedino@dodd.ohio.gov. I look forward to hearing from you.

PROGRAM UPDATES

May 1 LEA (applicable to *all* counties)

The May 1 LEA quarterly report requirement is approaching. The report may be run in EIDS no earlier than April 21, 2019 and must be sent to the appropriate LEAs no later than May 1, 2019. Please do *not* submit copies to DODD, but you are encouraged to maintain copies on file.

If you are not sure which LEA should be selected for a specific child (e.g., foster care situation), we encourage you to contact the relevant Educational Service Center (ESC) for clarification. Contact information for all of the ESCs and Public School Districts, along with a map of districts, is available here:

<https://education.ohio.gov/Topics/Data/Ohio-Educational-Directory-System-OEDS>

Please remember that parent rights apply to any shared information if personally identifying details are disclosed. Only the appropriate pages of the LEA Report should be sent to each LEA.

If you have any questions about the LEA reporting process, please contact Melissa Courts at melissa.courts@dodd.ohio.gov.

SFY19 TRS Analysis (Group 1)

Activities related to the SFY19 TRS analysis are underway. Initial emails to notify counties regarding their inclusion in the analysis were sent April 17. Counties included in the TRS analysis have until May 8 to review and clean data, including submission of any applicable deletion

requests. Data cleaning instructions were attached to the April 17 email and county-specific reports listing applicable records were sent to participating counties April 19. Data will be extracted May 22.

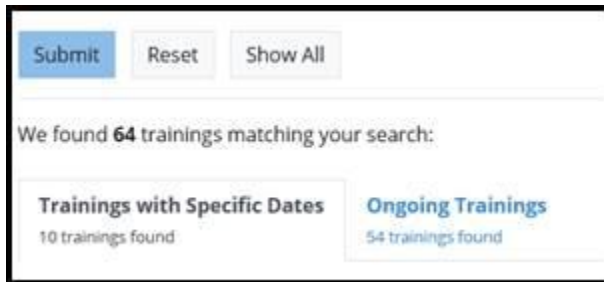

SFY19 Transition Analyses (Group 3)

Baseline analyses for the SFY19 Transition Steps and Services and Transition Planning Conference were completed this week and results memos were sent to applicable counties April 25. If you have any questions regarding your results or next steps, contact Melissa Courts at melissa.courts@dodd.ohio.gov.

RESOURCES AND TRAINING OPPORTUNITIES

Updates to EI website Trainings Page

You may have noticed some recent changes to our website (ohioearlyintervention.org). On the Trainings page, the complete list of available trainings no longer automatically displays. However, you can access the list by clicking “Show All.” You can then choose to display either “Trainings with Specific Dates” or “Ongoing Trainings” by clicking the associated tab.

The ability to search by CEU, skill level, topic and/or format remains the same. We have also added a “search by date” feature.

If you have questions, please contact Lori Myers at lori.e.myers@dodd.ohio.gov.
