## ***MESSAGE FROM THE PART C COORDINATOR***

Thank you to everyone who has submitted their SFY22 EI service coordination grant agreements. As a reminder, these signed agreements and accompanying materials are due today, June 4. Your entire DODD EI team looks forward to supporting you in the upcoming year as we work together to strengthen Ohio's EI system.

I always invite your feedback. Do not hesitate to contact me at [nathan.dedino@dodd.ohio.gov](mailto:nathan.dedino@dodd.ohio.gov). I look forward to hearing from you.

## ***PROGRAM UPDATES***

### **In-person EI Activities in Home and Community Settings**

You can access guidance DODD released last week about in-person EI activities on the EI website here:

[https://ohioearlyintervention.org/storage/ocali-ims-sites/ocali-ims-oei/documents/In-person-EI-Guidance\\_052121.pdf](https://ohioearlyintervention.org/storage/ocali-ims-sites/ocali-ims-oei/documents/In-person-EI-Guidance_052121.pdf)

Please ensure all of your team members are aware of the guidance and implementing it in your local EI programs. If you have any questions, please contact your EI program consultant.

### **Early Intervention Service Delivery Guidance Document**

DODD recently released a new guidance document that provides an overview of the different EI team members' roles and responsibilities and the activities that need to occur around service delivery. You can access it here:

<https://ohioearlyintervention.org/storage/ocali-ims-sites/ocali-ims-oei/documents/EI-Service-Delivery-Guidance-05-12-2021.pdf>

### **SFY21 Transition Baseline**

The SFY21 Transition baseline analysis is being finalized and results memos are anticipated to be sent at the end of June.

## New Early Intervention Website Search Feature

We are in the process of upgrading the search function on the Ohio Early Intervention website and have launched phase one of the upgrade. When you click the search icon (magnifying glass) at the top left of any page, you will see new search options. You can search by keyword and/or filter by type of resource, role, or key term. Below is a screenshot.

If you have feedback on the new search feature, please send to Lori Myers at [lori.e.myers@dodd.ohio.gov](mailto:lori.e.myers@dodd.ohio.gov).

## **Family ECHO – June and July Series**

Family ECHO uses Zoom technology to connect participants with a team of interdisciplinary experts for presentation and discussion on topics related to improving and managing behaviors, family supports, executive function, self-care, and healthcare for children and youth with developmental disabilities including autism. Family ECHO follows the ECHO model offering an “all teach, all learn” environment and provides resources and session recordings for participants.

Who can participate in Family ECHO:

- Parents, family members and caregivers of individuals with autism and other developmental disabilities.
- Parent/professionals working in the disability field
- Healthcare professionals working directly with families
