MESSAGE FROM THE PART C COORDINATOR

As we approach the summer swimming season, water safety takes on added importance. *Prevent Child Injury* has posted a toolkit about water safety. The toolkit emphasizes the layers of protection that can help keep children safe around water. You can access the toolkit [here](#). Please consider reviewing and finding ways to integrate these materials in your work.

I always invite your feedback. Do not hesitate to contact me at nathan.dedino@dodd.ohio.gov. I look forward to hearing from you.

PROGRAM UPDATES

2023 EI Family Questionnaire

DODD is beginning to prepare for this year's annual EI Family Questionnaire. The questionnaire and process will remain very similar to last year, including sending information to most families via email and collecting the majority of responses online. As such, please ensure email addresses are listed for any caregiver who is willing to share them and that the email addresses are listed accurately in EIDS. Keep an eye out for additional information about this year's questionnaire in the coming weeks.

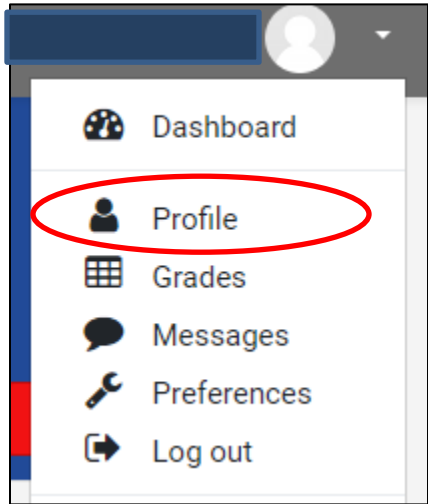

RESOURCES AND TRAINING OPPORTUNITIES

Social Worker License Number Field in MyLearning

MyLearning users now have the option to enter their Social Worker license number into their MyLearning accounts. Individuals who seek continuing education units for the Social Work board must utilize this option so that their Social Worker license number populates onto their certificates for the MyLearning courses approved for Social Work credit. *Individuals who are not licensed social workers should leave this field blank.* The blank field in MyLearning will show as "N/A" on the user profile and the certificate.

After you have logged into DODD MyLearning, click [here](#) to view the MyLearning courses that are approved for Social Work credit. *Keep in mind that these courses will only be approved for Social Work credit if they were completed on or after May 16, 2023.*

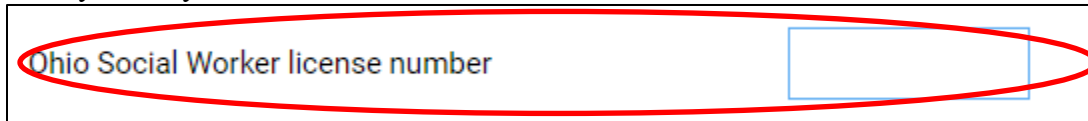

To enter your Ohio Social Worker license number, first navigate to your MyLearning Profile by selecting “Profile” under the arrow in the top right corner.

Next, select “Edit Profile.”

Finally, enter your license number into the field “Ohio Social Worker license number.”

Please reach out to EI Training Officer Anni Monks at Rhiannon.Monks@dodd.ohio.gov with any questions or concerns regarding this process.
