About the 2024 Family Questionnaire and results:

Families with children being served in Early Intervention on March 1, 2024 were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative.
