Consent to Use Insurance for Early Intervention Services

Use of Private Insurance

My service coordinator has explained the "system of payments" rule and any potential costs that I may incur when using my private insurance to pay for Early Intervention services, such as co-payments, deductibles, premiums or long term costs such as the loss of benefits because of annual or lifetime health insurance coverage caps of the insurance policy. I have received written notification of these potential costs and my rights. I understand that when I consent to the use of my private insurance, the state will pay the co-pays and deductibles for the first 55 units of Early Intervention services in an IFSP year if I am determined able to pay. The state will pay co-pays and deductibles for all units of Early Intervention services if I am determined unable to pay.
