About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions.

Statewide County 2021 Family Questionnaire Results

Questionnaire Item	Statewide County Positive Responses	Statewide County All Responses	Statewide County Percent Positive Responses	Statewide Percent Positive Responses
1. Early Intervention has helped me to know my rights in the program.	2,014	2,186	92.13%	92.13%

About the 2021 Family Questionnaire and results:

Families with children being served in Early Intervention on June 1, 2021 were identified as questionnaire recipients. The "Number Sent" above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of 'Agree' or 'Strongly Agree' were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusion
