Adams County Response Rate

Adams County Number Received	Adams County Number Sent	Adams County Response Rate	Statewide Response Rate
10	37	27.03%	29.31%

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

About the 2026 Family Questionnaire and Results:

Families with children being served in Early Intervention on **March 1, 2026** were identified as questionnaire recipients. The “Number Sent” above represents all of those families, excluding those with an incorrect address or a child who was deceased. All survey items were rated on a five-point scale, with the following possible responses: Strongly Disagree, Disagree, Neither Agree nor Disagree, Agree, and Strongly Agree. All responses of ‘Agree’ or ‘Strongly Agree’ were considered to be a positive result. Please note that items with a small number of responses make it difficult to draw meaningful conclusions, either positive or negative. Responses were collected from the **beginning of June through the end of July 2026**.

Williams County 2026 EI Family Questionnaire Results
