State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Clark County was selected for the TRS indicator analysis for SFY22.

The assigned determination of Clark County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Cuyahoga County was selected for the Transition indicator analysis for SFY22.

The assigned determination of Cuyahoga County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Fairfield County was selected for the 45-Day indicator analysis for SFY22.

The assigned determination of Fairfield County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Jackson County was selected for the 45-Day indicator analysis for SFY22.

The assigned determination of Jackson County is **Needs Assistance**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Logan County was selected for the TRS indicator analysis for SFY22.

The assigned determination of Logan County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Marion County was selected for the Transition indicator analysis for SFY22.

The assigned determination of Marion County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Montgomery County was selected for the 45-Day indicator analysis for SFY22.

The assigned determination of Montgomery County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Paulding County was selected for the 45-Day indicator analysis for SFY22.

The assigned determination of Paulding County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Preble County was selected for the Transition indicator analysis for SFY22.

The assigned determination of Preble County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Seneca County was selected for the TRS indicator analysis for SFY22.

The assigned determination of Seneca County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Tuscarawas County was selected for the TRS indicator analysis for SFY22.

The assigned determination of Tuscarawas County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Wayne County was selected for the TRS indicator analysis for SFY22.

The assigned determination of Wayne County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- They were issued a PIP based on issues identified during the fiscal year **OR**
- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total score possible (11 total possible points, as described in the memo)
