State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Belmont County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Belmont County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Clark County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Clark County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Cuyahoga County was selected for the Transition indicator analysis for SFY25.

The assigned determination of Cuyahoga County is **Needs Assistance**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Fayette County was selected for the Transition indicator analysis for SFY25.

The assigned determination of Fayette County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Henry County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Henry County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Jefferson County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Jefferson County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Lorain County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Lorain County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Medina County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Medina County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

Data Summary

See the *APR Indicator Descriptions* document for additional details regarding APR indicator analyses

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Morgan County was selected for the 45-Day indicator analysis for SFY25.

The assigned determination of Morgan County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Perry County was selected for the 45-Day indicator analysis for SFY25.

The assigned determination of Perry County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Richland County was selected for the Transition indicator analysis for SFY25.

The assigned determination of Richland County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Shelby County was selected for the Transition indicator analysis for SFY25.

The assigned determination of Shelby County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Van Wert County was selected for the TRS indicator analysis for SFY25.

The assigned determination of Van Wert County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)

State Targets

- The U.S. Department of Education has established a target of 100% for all compliance indicators. Ohio established statewide targets for performance indicators in the State Performance Plan (SPP) submitted to the U.S. Department of Education's Office of Special Education Programs (OSEP) in January 2022.

Other Notes

- For each of the indicators, N/A denotes an item as "Not Applicable," indicating there were no data for the item.
- Ohio continued to use a cyclical monitoring approach where each county was included in one of the three compliance analyses. Wood County was selected for the Transition indicator analysis for SFY25.

The assigned determination of Wood County is **Meets Requirements**.

Counties were determined Needs Assistance if:

- Their compliance percent was less than 100% in any of the compliance indicators **AND**
- Their score for performance indicators was less than half of the total possible score (nine total possible points, as described in the memo)
