MESSAGE FROM THE PART C COORDINATOR

Please join me in congratulating Lori Myers on her retirement after more than 30 years of public service to individuals with disabilities. Her expertise, warmth, and enthusiasm have profoundly and positively impacted our entire EI system. The DODD EI team will miss her soothing voice on Doughnuts with Di, her artistic creativity displayed in training development meetings and webinars, and the dazzling and engaging PowerPoints she created. Although this time is bittersweet, we wish Lori well and celebrate as she enters a new chapter of singing with her choir, volunteering, and traveling to New York to see her favorite Broadway shows.

Lori's last day with DODD will be August 31. As of September 1, please contact Tiffany Madden (tiffany.madden@dodd.ohio.gov) for inquiries related to Ohio Early Intervention training, developmental specialist certification, and service coordinator credentialing. For inquiries about OCCRRA course verifications, MyLearning issues, or website issues, please contact Allan Kisner (allan.kisner@dodd.ohio.gov).

I always invite your feedback. Do not hesitate to contact me at nathan.dedino@dodd.ohio.gov. I look forward to hearing from you.

DID YOU KNOW?

We receive many requests for assistance with the application process within the Ohio Professional Registry (OPR) for early intervention service coordinators and early intervention service coordination supervisors. As a reminder, questions about the status of an application should be sent to support@ocrra.org, with "EISC" as the subject line. Always include the name and OPIN of the profile about which you are inquiring. When this process is followed, responses are provided within 1-2 business days. Additional information is found on the Ohio Child Care Resource and Referral Association (OCCRRA) website here:
