### PROGRAM UPDATES

#### *SFY25 Baseline Schedule*

The SFY25 baseline calendar is now available on the EI website:

<https://ohioearlyintervention.org/monitoring>

Group 1 counties will be included in the TRS analysis, with activities beginning in February 2025. Group 3 counties will be included in the Transition Steps and Services and Transition Planning Conference (TPC) analyses, with activities also beginning in February 2025. Group 2 counties will be included in the 45-Day analysis, with activities beginning in March 2025. Additional information will be sent to applicable counties prior to the start of each indicator analysis.

#### *System of Payments (SOP) Reminder*

As a reminder, service coordinators must submit the required SOP paperwork whenever using a Payor of Last Resort (POLR) provider, regardless of whether they are placed on the IFSP grid to provide ongoing services. If you refer to a POLR provider for an assessment or invite them to an IFSP meeting, the EI-16 must be submitted to the EI resource coordinator in order for the provider to be paid.
