MESSAGE FROM THE PART C COORDINATOR

We have several important updates for you today covering a variety of different topics. I'd particularly like to call your attention to information about upcoming Early Intervention (EI) office hours and the announcement of a new Department of Children and Youth (DCY) EI team member.

Please feel free to reach out to me at Taylor.Hammond@childrenandyouth.ohio.gov with ideas, questions, or suggestions any time.

PROGRAM UPDATES

EI Office Hours

As mentioned in the September 2 EI Program Update, the DCY EI team will begin hosting monthly EI office hours this month. These office hours will generally focus on one topic, which will be announced ahead of each call, allowing the opportunity to submit questions that can be addressed on the call. As applicable, the DCY EI team will also provide important program and/or department updates during the first fifteen minutes of each call. Each of these calls will be recorded and the recording will be posted on the EI website.

These office hours will be hosted from 9:00 to 10:00 a.m. on the last Monday of each month. The first official call in this series, which will focus on the EI System of Payment and the use of Councils of Governments (COGs) and Department Contracted Providers (DCPs), is on September 29 at 9:00 a.m. DCY sent a form requesting the use of COGs and DCPs, as well as related guidance, to DCPs, COGs, and EI Service Coordination (EISC) agencies last week. Click [here](#) to register for these office hours and please submit any questions to ei@childrenandyouth.ohio.gov by September 24 to guarantee they will be addressed on the call.

Registration links for the October and November office hours will be distributed soon. We will not host a call in December due to the holidays and will provide a schedule for 2026 in the coming months.
