

**EARLY INTERVENTION
SERVICE COORDINATION GRANT AGREEMENT**

July 1, 2022 – June 30, 2023

This agreement (the “Agreement”) is entered into by and between the Family and Children First Administrative Agency (hereinafter “Subrecipient”) and the Ohio Department of Developmental Disabilities (hereinafter “Department”), collectively referred to as the “Parties.”

WHEREAS, Part C of the Individuals with Disabilities Education Act (IDEA) is a federal grant program that assists states in operating a comprehensive statewide program of early intervention services for infants and toddlers with disabilities, ages birth through age 2 years, and their families;

WHEREAS, the Department seeks to provide state general revenue funds and subaward federal grant dollars, as defined by 2 CFR §200.1, made available through Part C of IDEA (CFDA 84.181, or its successor Assistance Listing Number) administered by the Office of Special Education Programs, Office of Special Education and Rehabilitative Services, and U.S. Department of Education (USDOE) in order to support service coordination services, as defined in 34 CFR § 303.34, evaluation and assessment, as defined in 34 CFR §303.321, costs that support the provision of these mandated activities, and early intervention child find outreach activities in accordance with 34 CFR §303.302, (“the Grant”);

WHEREAS, the Subrecipient carries out the requirements of this Agreement on behalf of the county identified in the EI Service Coordination Contact Sheet (Addendum B) and in accordance with Section 2.5 of this Agreement;

WHEREAS, the Agreement between Parties shall be a cooperative agreement as defined by 2 CFR §200.1. A cooperative agreement provides for substantial involvement between the Department as the pass-through entity and the Subrecipient in carrying out the activities of the Agreement.

NOW THEREFORE, the Parties agree as follows:

Section 1 – Awarding of Funds

1.1 Use of Funds. Grant funds shall be used in accordance with 34 CFR §303.501 (Use of Funds) to provide service coordination, as defined in 34 CFR §303.34, evaluation and assessment, as defined in 34 CFR §303.321, other costs related to providing these mandated activities, and early intervention child find outreach activities in accordance with 34 CFR §303.302. Subrecipient shall be responsible for performing the responsibilities expressly outlined in this Agreement and in accordance with the federal Office of Management and Budget Uniform Guidance 2 CFR 200, as adopted by the USDOE Title 34, CFR, Parts 75-79, 81 to 86 and 97-99 Education Department General Administrative Regulations (EDGAR) and Exhibit A (Allowable Costs) of this Agreement.

1.2 Award Information & Allocation Methodology. Allocations to counties are calculated on a formulaic basis. A county’s allocation for service coordination, evaluation, and assessment is based on the following: 70% (children served during 2021), 20% (initial ever referrals in 2021 for children resulted in the completion of the eligibility and assessment process, 10% (initial ever referrals in 2021 for children that did not result in the completion of the eligibility and assessment process). County allocations for children with elevated blood lead levels are based on the prevalence of children reported to the Ohio Department of Health with a blood lead level of at least five micrograms per deciliter in 2020. Child find outreach funding allocations are based on 2021 Early Intervention referral data. Grant award totals, allocation percentages, and other award information required by the federal Office of Management and Budget Uniform Guidance 2 CFR §200.332(a) are provided in Addendum A (Award Information and Allocation Table). If the federal notice of award is not available prior to the posting of this Agreement on OhioEarlyIntervention.org, DODD shall update Addendum A and disseminate the information via email to the Administrative Agency Fiscal Contact as provided for in this Agreement and Addendum B (EI Service Coordination Contact Sheet).

In addition to grant funds allocated using the formula described in this section, the Department reserves the right to make targeted investments to support the activities outlined in Section 1.1 of this Agreement in order to address demonstrated need, service gaps, and other issues. Subrecipients awarded funds in addition to the amount indicated in

Addendum A shall receive a Supplemental Funding Amendment (Addendum D). Addendum D identifies the total funding awarded for the year (including the original allocation and any supplemental amounts), as well as any additional requirements related to the supplemental funds. Should funding be reduced under section 1.8 of this agreement, Subrecipient shall use this form to identify revised budget category amounts in GMS. Subrecipients shall budget and report supplemental funds spent in DODD's Grant Management System (GMS) in accordance with Section 1.3 of this Agreement.

1.3 Grant Management System (GMS) Budget & Expense Report Requirements. Subrecipient shall prepare and submit a budget in GMS to support the activities provided for in Section 1.1 of this Agreement. Budgets must be approved by the Department prior to the release of grant funds. Subrecipient shall only request payment for incurred or paid expenses. The subrecipient shall submit an expense report for the Grant at least once every three months.

1.4 Payment of Funds. Subrecipient shall request Grant funds for incurred or paid expenses by submitting expense reports in GMS. If the Department rejects the expense report, the subrecipient may correct and resubmit the expense report immediately. If the Department approves the expense report, the subrecipient may not submit another expense report for 25 days past the submission date of the most recently approved invoice. The Department agrees to pay Subrecipient within thirty (30) days of receipt for expense reports approved by the Department. Subrecipient agrees that lack of timely submission of expense reports or other documents required by this Agreement or requested by the Department may result in reduced, forfeited, or delayed payment. Payments shall not exceed the Subrecipient budget amount.

It is the responsibility of the Subrecipient to maintain their State of Ohio Supplier ID in order to receive payment. The Subrecipient shall work directly with the Ohio Office of Shared Services to update address and payment information as needed using <http://www.supplier.obm.ohio.gov/> and shall promptly notify the DODD Grants Management contact included in Section 6.1 of this Agreement upon any change.

1.5 Allowable & Unallowable Costs. Subrecipient shall refer to Section 1.1 and Exhibit A of this Agreement, and 2 CFR §200, as adopted by the USDOE in 34 CFR EDGAR, to determine allowable and unallowable costs.

Indirect Costs. Indirect costs charged to the Grant shall be in accordance with 34 CFR §303.225(c) and 34 CFR §76.560-76.580. The maximum amount of indirect costs charged to the grant shall be determined by the following formula:

Indirect costs= (Restricted indirect cost rate) x (Base)

Base: Total direct costs excluding capital expenditures (including equipment as defined in this Section), alterations and renovations, food purchases, personal service contracts and subawards in excess of \$25,000 per subcontract/subaward, previously charged indirect costs, and flow through funds.

Subrecipients with USDOE as their cognizant agency shall use the Restricted Indirect Cost Rate (RICR) approved by the Ohio Department of Education (ODE) to charge indirect costs to the grant. Subrecipients submitting a provisional rate with their budget are required to upload their final rate approval letter from ODE by June 1, 2023. All indirect costs charged to the grant using the provisional rate shall be reconciled with the final rate no later than June 24, 2023. If necessary, Subrecipients shall request budget modifications and enter offsets in GMS as needed to ensure that the total amount charged to indirect costs aligns with the final rate approved by ODE.

For Subrecipients that do not have USDOE as their cognizant agency, the RICR is 8%. Subrecipients charging indirect costs are required to submit documentation in EIGS in accordance with Section 3.1 of this Agreement.

Travel. Travel and travel expenses must meet the requirements of OAC 126-1-02 and 2 CFR §200.475 to be considered reimbursable. Mileage reimbursement shall be paid at the lesser of the established federal, state, or local rate. State mileage rates are updated quarterly and posted on the Ohio Office of Budget and Management website (<https://obm.ohio.gov/wps/portal/gov/obm/areas-of-interest/agency-overview/obm-travel-rule/obm-travel-rule>). The Department shall reimburse for actual travel expenditures, as allowable, based on the rates for lodging, per diems and meals as set by the federal General Service Administration (GSA).

Equipment. Equipment means an asset or tangible personal property, including information technology systems, having a useful life of more than one year and a per-unit acquisition cost which is greater than \$1000. Any equipment purchased entirely with Grant funds must only be used to support the terms of this Agreement. If equipment purchased with funds from this agreement supports additional activities, the amount of Grant funds spent on the asset must be prorated according to the expected usage rate that the equipment will support the terms of this Agreement.

Newly acquired assets shall be entered into the DODD Fixed Asset Schedule (Exhibit D), which shall be attached in GMS when requesting Grant funds for equipment expenses. Equipment in the schedule shall have a unique identifier (“Asset ID”), a description (“Asset Description”), the date the asset was purchased (“Acquisition Date”), the date the asset was placed into service (“In Service Date”), the location of the asset (“Asset Location”), information about whether the asset is in active service (“Asset Status”), grant start date as a means to identify the grant award associated with the asset (“Grant Year Start Date”), the useful life of the asset (“Useful Life”), and cost of the asset (“Total Cost”). Useful life shall be determined by the state book guidance issued by Ohio’s Department of Administrative Services. “Total cost” shall be defined as the actual cost incurred to acquire an asset and incidental costs to place it in service. The total cost of a purchased asset includes the total purchase price, net of purchase discounts, plus any trade-in allowances, transportation charges, installation costs, taxes, and any other costs required to prepare the asset for its intended use.

If an asset has fulfilled its useful life and has a fair market value less than \$1000, the Subrecipient may dispose of the asset with no further obligation to the Department and shall record the transaction in the DODD Fixed Asset Schedule. For all other assets, the Subrecipient shall request prior approval from the Department to sell, dispose, or transfer equipment by emailing the Department contact included in Section 6.1 of this Agreement. The Subrecipient shall provide any information deemed necessary by the Department to properly make a determination. Once disposed, the asset’s status must be changed on the asset schedule to reflect it is out of service status. Any monetary gain received on the sale of assets shall be repaid to the department. The Department retains the right to transfer equipment to itself or to an eligible third-party in the event that the responsibilities of this Agreement are no longer performed by the Subrecipient while an asset is still in service.

Telecommunication Costs. In accordance with 2 CFR §200.471, costs incurred for telecommunications and video surveillance services or equipment such as phones, internet, video surveillance, and cloud servers are allowable with exceptions in accordance with 2 CFR §200.471(b) and §2 CFR 200.216.

1.6 Security Status for GMS and EIDS. It is the responsibility of the Subrecipient to maintain their State of Ohio Supplier ID to enter into an Agreement with the Department, receive payment, and access GMS. To maintain the State of Ohio Supplier ID, the Subrecipient shall work directly with the Ohio Office of Shared Services to update address and payment information as needed using <http://www.supplier.obm.ohio.gov/> and shall promptly notify the DODD Grants Management contact included in Section 6.1 of this Agreement upon any change. The Subrecipient shall refer to the GMS User Guide (Exhibit E) for directions requesting access to GMS, assigning and managing user roles, managing the grant budget, submitting expense reports, and uploading support documentation.

Subrecipient shall ensure that the Early Intervention contract manager has an active system administrator account for the Early Intervention Data System (EIDS). Subrecipient agrees to input all required data in the EIDS within 30 days of the event. Users shall meet the requirements and responsibilities outlined in Exhibit F (EIDS) of this agreement.

1.7 Federal Funds Requirements. The Parties agree to comply with the terms of the Federal Funding Accountability and Transparency Act (FFATA) by entering required information in GMS. Subrecipient shall provide a UEI (Unique Entity Identifier) Number and maintain an active registration with the SAM (System for Award Management). Subrecipient understands that failure to maintain a UEI Number and an active registration with SAM may result in the loss of Grant funds in accordance with Section 2.3 of this Agreement. Subrecipient shall ensure that their UEI is publicly searchable by enabling the “allow the selected record to be a public display record” feature in SAM. The Department will reference available UEI numbers for SFY22 administrative agencies to validate SAM registrations for SFY23. If the UEI or administrative agency has changed since SFY22, Subrecipient shall provide the Department with the UEI by emailing EI.Grants@dodd.ohio.gov.

1.8 Availability of Funds. Subject to the provisions of ORC 126.07 and 131.33, the Department represents that it will attempt to obtain the appropriations of necessary funds during the term of this Agreement. Subrecipient understands

that this Agreement is subject to the availability of funds allocated to the Department by state and federal funding sources. If funds designated for this Agreement become unavailable, the Department's obligations under this Agreement expire.

1.9 Procurement & Subcontracts. Subrecipient must have and use documented procurement procedures, consistent with the standards of 2 CFR 200.318- 200.320. Subrecipient may enter into subcontracts to provide the activities outlined in Section 1.1 of this Agreement. All subcontracts shall be made subject to the terms and conditions of this Agreement and the Subrecipient shall cause the terms of this Agreement to be incorporated by reference into all subcontracts. However, in any event, Subrecipient shall be solely responsible for the performance of work and activities set forth herein and must comply with monitoring responsibilities within 2 CFR 200, as adopted by the USDOE in 34 CFR EDGAR. A fully executed subcontract shall be attached in GMS as support documentation when requesting payment for a contract's expenses for the first time.

To the extent possible, if Subrecipient's agreement with a subcontractor follows a period of time other than the period of this Grant, Subrecipient shall initiate and secure agreement(s) with the subcontractor that cover the period of this Grant. Subrecipient shall ensure that their staff and Board of Directors are not staff or board of director members of the subcontractor.

1.10 Training Requirements. Subrecipient agrees to comply with the Early Intervention contract manager training requirements described in Exhibit G.

Section 2 – Term and Termination

2.1 Term. This Agreement will be in effect from July 1, 2022 through June 30, 2023 and provides for a close out period through September 30, 2022, unless terminated prior thereto pursuant to this Section. August 30, 2023 is the final day to request funds for this Grant in GMS. Subrecipient expressly understands that the Department will not compensate Subrecipient for work performed after June 30, 2023.

2.2 Termination. Except as permitted in Section 2.4 of this Agreement, either party may terminate this Agreement with or without cause upon sixty (60) days written advance notice. Upon the termination of this Agreement, the Department will have no further obligation to disburse Grant funds. Subrecipient, upon receiving notice of termination, will take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all subcontracts related to terminated Grant activities.

2.3 Recapture. If Subrecipient fails to perform or otherwise comply with any term or condition of this Agreement, the Department may reduce the Subrecipient's allocation and/or require Subrecipient to repay to the Department any or all of the Grant funds disbursed to the Subrecipient through the termination date. The decision to recapture Grant funds shall be within the sole discretion of the Department, and shall be based upon review, evaluation, and/or audit of the Grant.

Failure to maintain proper documentation to substantiate Grant payment for services provided may result in the repayment of funds by the Subrecipient.

2.4 Change in Family and Children First Council Administrative Agency. In the event the family and children first council (FCFC) administrative agency changes during the term of this Agreement, the Department will terminate the existing Agreement upon receipt of documentation that the responsibilities of administrative agency to the FCFC have been transferred. An Agreement will be issued to the new administrative agency for the remaining grant period.

2.5 Multi County Collaboration Agreements. Counties have the option to pool or aggregate allocations established in Section 1.2 of this Agreement.

- a. Annually, the Department shall provide a deadline for counties to inform the state Family and Children First Director of the intent to enter a multi-county collaboration. By the deadline established, counties intending to participate in a multi-county collaboration shall send an email notification to the state Family and Children First Director. The email shall identify all counties participating in the collaboration, the county taking the lead responsibility for the allocations, and the FCFC administrative agency for the lead county that will act as Subrecipient for the aggregated funds. The Department shall load budgets in GMS accordingly.

- b. For counties participating in multi-county collaborations, the Department shall only enter into an Agreement with the FCFC administrative agency acting as Subrecipient for the aggregated funds.
- c. To formalize multi-county collaborations, the county Family and Children First Councils participating in these arrangements shall enter into an agreement or pass a resolution to combine their allocations. The agreement or resolution shall identify all counties participating in the collaboration, the county taking the lead responsibility for the allocation, and the FCFC administrative agency for the lead county that will act as Subrecipient for the aggregated funds.
- d. A copy of the fully executed multi-county agreement or passed resolution shall be submitted to the Department via email to EI.Grants@dodd.ohio.gov. The Department shall withhold payment to the Subrecipient in accordance with Section 1.4 of this Agreement until the existence of an official arrangement between the participating counties can be validated.

Section 3 – Documentation Requirements

3.1 Agreement Documents. The Department shall email the following documents to the Subrecipient signatory via the electronic signature solution, OneSpan. Subrecipient may complete and electronically sign the documents using OneSpan. The Department shall only accept electronic signatures provided in OneSpan.

In lieu of electronic signatures via OneSpan, Subrecipient may return the documents listed below to EI.Grants@dodd.ohio.gov. When selecting this option, Subrecipient shall print the Agreement and Addendum C documents and sign them in ink. 3.3 Documentation & Monitoring. Subrecipient agrees to implement the Department's Subrecipient-specific technical assistance plan (including completion of any training requirements or other required actions as part of the technical assistance plan).

The Department and its agents may review, audit, and make copies of such books and records. Subrecipient shall include in its agreements with any subcontractor or Subrecipient receiving Grant Funds a provision authorizing the Department and its agents access to and the right to review, audit, and copy the books and records of such subcontractor or Subrecipient related to its work on the Grant.
