

Newborn Behavioral Observation (NBO) Fall Training

***NBO Incorporating use
of the NBO with families
living with substance use
disorder (3-day training)
Oct 17-Oct 26-Nov 10
(10a-4p)***

**The NBO is a
relationship-based tool
developed by the
Brazelton Institute. It
offers individualized
information to parents
about their what their
baby's behaviors
communicate to us.**

**The goal is to
strengthen the infant-
parent relationship. To
learn more about the
NBO, access Brazelton's
website.**

**For information about
registration, contact your EI
Program Consultant:**
